

STATE OF OREGON

INTEROFFICE MEMO

BUILDING CODES DIVISION

DECEMBER 2, 2005

To: Building Officials
c/o various building department jurisdictions

From: Richard Rogers
Structural Program Chief

Subject: Rescission of Alternate Method Ruling No. 92-27 "Design Of Post-Frame Buildings
Not Required To Be Designed Under The Architects Law"

The above-mentioned statewide interpretation which was issued in 1993, under the provisions of the 1991 OSSC, is hereby rescinded with immediate effect. The information in this Interpretive Ruling is outdated and no longer applicable.

If you have any questions related to this action, you may forward them to me at (503) 378-447 or to Shane Sumption at (503) 378-4635.
